PROFESSIONAL EXPERIENCE

IFFCO GROUP — Ajman, UAE

HR Coordinator (HR Administrator) | Apr 2026 – Present

- Run the full employee lifecycle for 300+ employees, from joining to exit — including employment visa applications, Emirates ID processing and labour card renewals through the MOHRE, GDRFA/ICP and Tasheel portals.
- Built a central digital tracker for visa, Emirates ID and labour card expiry dates; the division has recorded zero findings in every HR audit since, and PRO processing time is down.
- Verify attendance, leave and overtime data each month and pass WPS payroll inputs to Finance for error-free salary runs; manage all NAS and Daman medical insurance additions, deletions and renewals.
- Onboard 5+ new hires per month — contracts, SAP HCM & SuccessFactors records, orientation and digital personnel files — and support recruitment across concurrent vacancies through job posting, CV screening and interview coordination with hiring managers.
- First point of contact for 30+ employee queries and grievances a month, resolving most at first level without escalation; draft employment contracts, offer letters, salary certificates and experience letters; keep SAP HR master data accurate and confidential.

BUILD ART GLOBAL TECHNICAL SERVICES L.L.C. — Dubai, UAE

HR Officer / HR & Office Administrator | Feb 2025 – Mar 2026

- Sole HR function for a 30+ employee company — owned onboarding, offboarding, payroll inputs, personnel records and visa processing end to end.
- Processed employment visas (GDRFA / Amer) and renewals with zero lapses, liaising directly with government authorities and typing centres to keep company documentation continuously compliant.
- Drafted offer letters, employment contracts and salary certificates in line with UAE Labour Law; maintained attendance and leave records for monthly payroll.
- Screened CVs and coordinated interviews to fill business-critical roles faster.

ROTANA GROUP — Abu Dhabi, UAE

Guest Services Specialist | Dec 2023 – Jan 2025

- Handled 50+ guest interactions a day — documentation, identity verification and complaint resolution — building the accuracy, compliance mindset and de-escalation skills applied today in HR operations and employee relations.
